Dear Community Partner,

The New Jersey Human Trafficking Task Force, Faith-Based Sub-Committee is hosting a series of informational roundtable discussions with various representatives from Faith-based groups and organizations, such as yours, throughout New Jersey. We are inviting your organization to take part in this discussion.

The New Jersey Human Trafficking Task Force is committed to combating the crime of Human Trafficking through education, collaboration, and prosecution. We need your help! The Faith-based community is uniquely poised to engage in anti-trafficking efforts because you are service minded, civic minded, and are concerned about the less fortunate. A victim of trafficking may look like many of the people you see every day. You are vital because you may be the only outsider with the opportunity to speak to a victim or survivor.

It would be greatly appreciated if you or a representative from your organization could attend this essential meeting to gain a deeper understanding of the crime of human trafficking and offer input regarding the needs of your community and/or how your organization can assist in combating human trafficking. Your feedback and ideas would be most helpful, especially when designing initiatives for the benefit of victims and survivors.

Our next roundtable discussion takes place on:

- October 13, 2016
- Calvary Temple Int'l Assembly
- 7:00 pm
- 1111 Preakness Ave., Wayne, NJ 07470

Please RSVP to www.nj.gov/oag/dcj/humantrafficking/roundtable , so we can have an accurate number of attendees and sufficient materials. If you have any questions, contact me at MillerM@njdcj.org.

Sincerely,

Melissa Miller & Jennifer Pina
